The Blackridge Civic Association, the BCA Park, the Garden Club and the Swim Club, are a beneficial part of our community. They provide opportunities for people to have meaningful relationships, have a sense of belonging, be seen and be heard. Without them, Blackridge would be just like any other neighborhood in Pittsburgh. But instead, we're special — we're a REAL community. In order for us to stand out in the crowd and for these organizations to exist, your monetary help is needed.

**You can make a donation by mailing a check or money order to the Blackridge Civic Association
